Literature Report  
For the Period July 21, 2018

### Monthly Activity Summary

The Q3 literature order was received and I will have it with me for distribution on Saturday.

The Summary is provided in an Excel spreadsheet and PDF format.

### Inventory Schedule

Provided for information only. It shows what materials are on hand in the storage shed. To save paper, I have not printed this document.

### Requests for Literature

Tom requested the following for ISCI: 20 – 12x12s in English, 20 – 12x12s in Spanish, and 5 Spanish Big Books. These will need to be approved in New Business.

Scot requested Spanish pamphlets for Nampa Job Corps. He needs 30-60 of each but we do not have that quantity in inventory for all. I have pulled what we have and it is as follows: 55 - This is A.A., 2 – 44 Questions, 30 – Is A.A. for You?, 11 – A Newcomer Asks, and 26 – Is A.A. for Me?. We need to approve these in New Business. He also wanted Do You Think You're Different and A Brief Guide of which we had none in inventory. We will need to approve the purchase of the quantities needed to the levels he requested in New Business.

Please make your requests for literature by the Monday before the meeting at the latest. This allows me to get to the storage facility and pick up the materials. Thanks.

YIS,

Brian M.
