Literature Report

For the Period November 18, 2018 to January 19, 2019

Monthly Activity Summary

No activity during the period due to the holiday. I did not prepare a Summary sheet so you will not have any attachment this month.

Inventory Schedule

No change from the November 2018 schedule. I have not sent this with this month's reports. To save paper, I have not printed this document.

Requests for Literature

Tom S. asked for 20 12x12s for ISCI. We have none in stock and will need to approve these in new business.

Christopher F. asked for the following: 12 – Big Books; 6 – Spanish Big Books; 12 Daily Reflections; 6 As Bill Sees It; 6 – Spanish 12x12s; and 6 – English 12x12s. We have all in stock except for the 6 – English 12x12s. This request will need to be approved in new business.

Please make your requests for literature by the Monday before the meeting at the latest. This allows me to get to the storage facility and pick up the materials. Thanks.

2019 Q1 Order

The order is attached for review and approval in new business. It is the same as the 2018 Q4 order except that the CDs for Port of Hope have been removed. I have also not added any 12x12s. We would need 26 books at \$8.25 each for a total of \$214.50.

YIS,

Brian M.
