STATEMENT OF UNDERSTANDING REGARDING CONTRABAND

It is a violation of state law for any person to introduce, or attempt to introduce into a correctional facility, any article of contraband including deadly or explosive materials, currency, weapons, ammunition, intoxicants or controlled substances. All persons entering the Idaho Correctional Center are required to clear a metal detector. All packages and items carried into the facility are subject to search by facility staff and/or state or local law enforcement officials.

When a reasonable suspicion exists that a particular volunteer is attempting to introduce contraband into the facility, the Shift Supervisor or a facility official of higher rank may order a more thorough search of the volunteer's belongings and/or vehicle. Additionally, the Shift Supervisor or official of higher rank may refuse the volunteer entry into the facility and recommend to the Warden that the volunteer's approval to work in the facility be withdrawn. The Warden's decision is final and not subject to appeal.

If deemed appropriate, state or local law enforcement officials will be called to the facility to address the issue of suspected contraband with the volunteer.

Please print your name, date, social security number and sign below. Your signature attests that you have read and understand the above information. Your failure to sign and submit this form as part of your application to serve as a volunteer will result in the disapproval of the application.
